

STUDIO NEWS...AND ALL THAT JAZZ

NOVEMBER - DECEMBER 2024

We want to say a big thank you to our dance parents for a very organized start to the season! We notice and appreciate the teamwork! It helps tremendously when we have parents who are up to date on studio happenings and procedures. It allows us time to prepare and remain focused on delivering really great classes to our dancers week after week. We love that you are focused on helping your child get the most out of their dance classes by arriving on time and by being prepared. You are setting your child up for success. The skills you fine tune now and the good habits you are reinforcing will be with them all their lives, on the dance floor and off. Everyday, we are aware of the difference dance training makes in our lives.

We are excited that together we get to pass those skills onto your wonderful children.

As our season progresses so does the level of our learning and that can be intimidating to some. We understand it is hard to see your child frustrated because they can't "get" a dance step. A first reaction is to think something is wrong. Be assured, nothing is wrong. It is part of learning. Each dancer learns at their own pace and we understand that. Once we practice together and feet begin to cooperate, your child will feel terrific about finally achieving that tricky step. There is an overflow of confidence and sense of achievement because they stuck with it and worked hard and finally accomplished the step or combination. (Both are wonderful "life" benefits of dance!) It just takes time. A parent's biggest role is to be supportive, encouraging and to remind their child that is part of life and learning.

Onward with the season!

TUITION

NOVEMBER TUITION IS DUE NO LATER THAN NOVEMBER 10th.

DECEMBER TUITION IS DUE NO LATER THAN DECEMBER 10th.

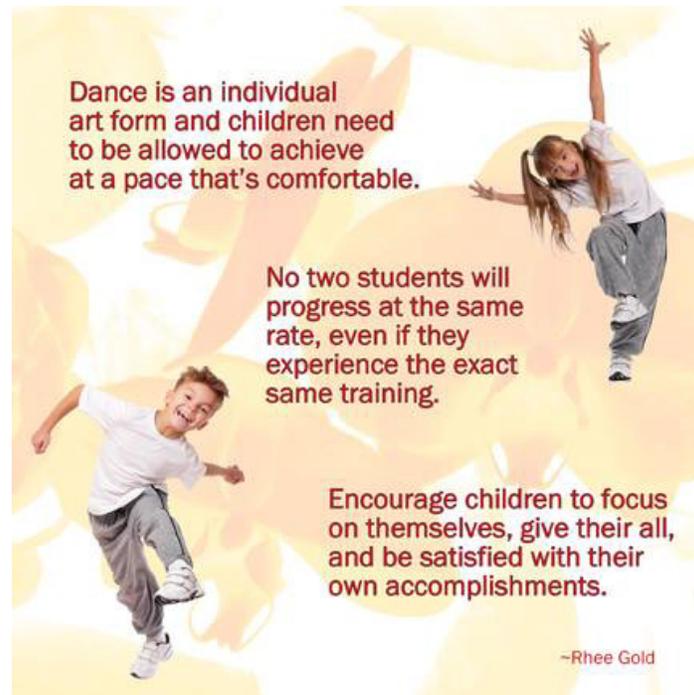

For your convenience, all payment totals and due dates are listed in your copy of the studio handbook. There are three easy ways to make your payment.

1. When they come for class, dancers can deposit payments(cash or check) in our locked payment drop box on the wall near our front desk. If paying with cash, please remember to place it in an envelope marked with dancer's first and last name.

2. Mail it to our mailing address: Dancin' Plus 403 E 1st Street Fairmont MN 56031

3. Pay online at www.dancin-plus.com with debit/credit card or Paypal.

Please note....We DO NOT have an outdoor drop box to drop payments in after hours. People often ask if we do. When we did, our mail always disappeared. ☹ Think of our online payment system as the after hours drop box. :)

DANCE PRODUCTION COSTUMES

The busy costume ordering season is upon us. Costume orders are filled in the order they are received. We like to order before the companies hit their peek season. By then, shipping dates can be later than our recital dates. That is a HUGE problem! We must order early! A portion of each of your tuition payments is applied to your child's costume costs. THERE IS NOT A SEPARATE COSTUME PAYMENT DUE. We know you like the sound of that! We will be measuring students for costume sizing. We use several different companies. Each company sizes differently so we measure your dancer's torso (girth) measurement. We always measure generously to allow for growth in the months before the dance productions. Please see your studio handbook for more details about costumes.

IMPORTANT....THANK YOU FOR REMEMBERING....IF YOUR ACCOUNT IS PAST DUE WE CAN NOT ORDER YOUR CHILD'S COSTUME. WE ONLY PLACE ONE ORDER. PLEASE BRING YOUR ACCOUNT UP TO DATE NOW IF IT IS NOT.

CAST LIST T~SHIRTS

Order forms will be sent home the week of October 21.

Check those dance bags. If your dancer is absent, we will pop it in the mail to you. Deadline to order is November 14th.

GETTING THE MOST OUT OF YOUR DANCE CLASSES...

Our classes are formatted in a very specific manner. It allows maximum results.

Classes begin with something soothing and familiar to the student. Children are often going from one activity to another. It can be difficult for their brain to switch gears quickly. It allows our brain a few minutes to decompress from a busy day, allows muscles we don't normally use throughout the day that are important to dance technique to warm up, stretch and get ready to work. It gives us a sense of confidence as we can easily follow what is being instructed in class. Step two is to introduce more challenging movement. As class is wrapping up we reinforce with our dancers that they did a great job. When dancers arrive late, they are missing a valuable phase of class. When they leave before the class is scheduled to end, same thing. The entire class is formatted to give your child the greatest amount of success possible.

LET IT SNOW...LET IT SNOW...LET IT...NO!

To keep it simple, if Fairmont public schools close due to weather, we will be closed as well.

We will post closure announcements on our Facebook pages. We also announce it on our outgoing message on the studio phone line 507.235.6114

If the weather turns nasty AFTER the studio has opened in late afternoon the studio will remain open for those that can make it.

When we figure our rates, we deduct for two classes assuming we will have a snow day or two. If we don't have snow days, you are receiving FREE classes! For classes with more than two snow days, we will reschedule in the spring.

DRESS CODE

Is your child attending class dressed correctly? We do have attire requirements. Please refer to the information sent with your studio handbook for easy to follow pictures of proper attire. You can also view it on our website. We make it easy for you and your student to be prepared for class. Prepared dancers always do best!

WE ARE A TEAM! WE NEED YOUR TEAMWORK!

When we search the definition of the word team, we find: A group of people that come together to complete a task or project. Team members operate with a high degree of interdependence and hold themselves accountable to their commitment to working towards a goal and shared rewards.

Thank you for honoring the commitment you made to our team when you registered for class. We understand that dancers may miss class from time to time due to health issues or family vacation

plans. Because classes only meet once per week, we cover a lot of material in each class and do not always have time to repeat material for those who were absent. Thank you for limiting absences.

Whatever we accomplish belongs to our entire group, a tribute to our combined effort.
